Experience

Bluewolf

[Graphic Design Intern – June 2016 to August 2016]

Created internal and external facing collateral distributed for a variety of channels, including events, digital marketing, and social media, ensuring that brand experience was consistent throughout.

Symkala

[Visual and Experience Designer – June 2015 to June 2016]

Established branding and visual language, designed workflow journeys, and prototyped interfaces and interactions for managing, analyzing, and visualizing structured and unstructured data

Design Patterns in Online Math Tutors

[Research assistant – June 2015 to October 2015]

Sorted through data, analyzed affect values, identified patterns in online math tutoring systems. Utilising a data mining approach, identified problems associated with poor learning outcomes.

Lunar Gala Fashion Show

[Visual Director – Sept 2015 to February 2017]

Collaborating on establishing the theme, concept, and visual identity and branding of the show, as well as designing posters, show programs, and other print materials.

University Rowing President

[Jan 2016 to Jan 2017]

Coordinated with board, team, coaches, alumni, and university administration to ensure team's growth. Previously led finance team as treasurer, balancing a budget over \$20,000.

Projects

Fibo

[UX/UI – Jan 2017 to May 2017]

Working with a client to build a chatbot that improves financial literacy and empowers individuals to make financially sound decisions.

Designing Transparency

[Design Research – Dec 2016 to Present]

Researching and writing about how design manipulates relationships and the implications on user agency.

I Lived, We Live: What Did We Miss?

[Visual Design – Jan 2017 to May 2017]

Collaborating with the community of Hazelwood to design an exhibition that explores how loss affects a community's memory and growth
